Dear Friend, Neighbor or Local Business:

Last year's Fall Festival was an overwhelming success, with a record number of people in attendance on a beautiful fall day in Bear Creek. We were blessed with 51 businesses and families who graciously sponsored the community event. Thanks to their generosity, along with the support of the Bear Creek Foundation and Bear Creek Community Charter School, the festival included live entertainment, games, children's activities, educational presentations, and food. Thank you to last year's sponsors for their participation!

Did you know?

- The event is open to the general public – let's welcome friends and family to our beautiful mountain-top campus.
- There is no cost for children to participate in all the games and activities.
- The Bear Creek Foundation matches donations made by local businesses and families.
- All funds raised from the event directly supports student activities: including soccer, basketball, student council and National Junior Honor Society.

We would like to make this year's event just as successful! The Bear Creek Foundation is planning to host this year's **Community Fall Festival on Saturday, October 11, 2025** on the campus of **Bear Creek Community Charter School**. The event will be held from 2:00 p.m. to 7:00 p.m. and is open to the public. The goal of the event is to engage the community and families to get together, meet one another, and participate in some family-fun activities. There will be crafts, games, live entertainment and educational presentations throughout campus. Food will be available for purchase.

To help offset the cost associated with this event, the Bear Creek Foundation is seeking private sponsorships to supplement the event's budget. Individuals, families, community organizations and local businesses can register as sponsors.

If you are interested in engaging as a sponsor, please complete the form that is included and return it along with your donation. The Bear Creek Foundation is an IRS 501(c)(3) non-profit organization. Donations are tax-deductible to the extent allowed by law. If you have any questions, please don't hesitate to e-mail me at jim.smith@bearcreekschool.com. We appreciate your consideration.

Respectfully,
