

Middle School Math Teacher

Bear Creek Community Charter School is seeking qualified candidates for the position of Math Teacher in grades five through eight. This is a full-time, ten-month position for 198 days per year. Candidates must have a Bachelor's Degree in Education and an appropriate Pennsylvania Teaching certification. Anticipated start date is August 20, 2026.

This position requires a dynamic, creative individual with a willingness to embrace a culture of continuous improvement for the benefit of students, along with a passion for mathematics. Knowledge of current educational trends, assessment practices and Common Core standards is critical.

Bear Creek Community Charter School offers full-time employees a competitive starting salary, comprehensive benefit package that includes paid health care and retirement plan match, performance-based annual bonus, longevity bonus, free daily meals and a rewarding work environment.

Please submit a Standard Pennsylvania Teaching Application with appropriate attachments to:
