

School Psychology Services

Bear Creek Community Charter School is seeking a certified **School Psychologist** to provide psychological evaluation services in support of Bear Creek Community Charter School's mission and core values, while promoting the success of individual students.

The successful candidate will collaborate with a team of professional educators in undertaking the following responsibilities:

- ◆ Screen and evaluate children (referrals from the School's Child Find process) including selecting appropriate instruments, administering tests, observations, and writing reports which state the evaluation findings and provide educational program recommendations;
- ◆ Participate as a member of the multi-disciplinary team and the individualized education program (IEP) committee contributing evaluation findings and collaborating on the child's education plan;
- ◆ Provide collaborative consultation and documentation of results including assisting educational staff with suggestions for implementation as part of RtII and providing recommendations and modifications to assist educational staff in working with students receiving special education services;
- ◆ Adhere to ethical standards and codes of the profession and to the established rules, regulations, and laws governing special education programs as well as School policies.

This is a subcontractor opportunity with compensation based on experience. Bear Creek Community is an Equal Opportunity Employer. Individuals interested in learning more about this opportunity should submit a resume and a letter of interest to:
