COLLEGE SAVINGS PLAN

You're Invited! In cooperation with the Pennsylvania Treasury, the Bear Creek Foundation is sponsoring an informational seminar on the benefits of the PA529 College Savings Plan.

The seminar is free and open to the general public. Mr. Charley Gelb of the Pennsylvania Treasury will conduct the presentation, which will be held on Thursday, September 15, 2011 beginning at 6:30 p.m. at the Saint Christopher Community Center, 1255 Bear Creek Boulevard (Route 115) in Bear Creek Township.

Saving for college is a strategic investment that will pay dividends for your children well into the future, but families need to identify ways to incorporate college savings into their unique set of financial circumstances – and get the most bang from their savings buck.

PA Treasury offers two 529 college savings plans: the Pennsylvania 529 Guaranteed Savings Plan (GSP), which is tied to the rate of college tuition inflation, and the Pennsylvania 529 Investment Plan. Sponsored by the Commonwealth of Pennsylvania and administered by the Treasury Department, the Pennsylvania 529 College Savings Program offers a range of resources specifically designed to help families save for college.
