

~ ATTENTION PARENTS ~

Parking Lot : Student Drop Off & Pick Up

Due to the change in the traffic patterns on Route 115 it is important that vehicles do not block the single lane of travel in either direction. Parents waiting to drop off or pick up their children are strongly encouraged to use the side (gravel) parking lot. Vehicles coming up the mountain (southbound) need to pull off the main route of travel, beyond the solid white line, if stopping or slowing down.

Because of the large amount of students riding in privately owned vehicles and the limited space in our parking lot we have implemented several procedures to ensure that our students are dropped off and picked up quickly and safely at our school. The following procedures should be followed as closely as possible:

Morning Drop Off

1. Students are allowed into the building at 8:00AM – students are not permitted inside the building until 8:00 a.m.
2. Privately owned vehicles pulling into the parking lot will be directed to the farthest lane to the left
3. As the left lane fills vehicles will be directed to a second lane
4. School buses and vans use the right lanes
5. Students should be supervised by an adult while crossing lanes (either the parents or school personnel)
6. Vehicles are not permitted to be parked unattended in the front parking lot (lanes);
7. Parents who have business in the school should park in the side gravel lot – do not leave your vehicle unattended in the front lot!
8. Please be patient – there are a lot of cars trying to come and go at the same time

Afternoon Pick Up

1. No privately owned vehicles are allowed in the parking lot between 2:45 p.m. and 3:30 p.m.
2. Students riding in privately owned vehicles are dismissed at 3:30 p.m.
3. Vehicles waiting for the 3:30 p.m. entry into the parking lot should not park along the highway or block the busses at the entrance to the school parking lot. Parents can park in the side parking lot or the gravel lot behind 1900 Bear Creek Boulevard
4. Students being escorted away after pick up should be closely supervised by parents because of the moving vehicles and busses in the parking lot
5. Vehicles are not permitted to be parked unattended in the front parking lot (lanes)
6. Parents who have business in the school should park in the side gravel lot – do not leave your vehicle unattended in the front lot!
7. Parents are requested to sign out their children with the staff member on duty
8. Remember - Safety First! Please use caution existing the school parking lot and obey all traffic laws
9. Please follow the directions of the school staff while in the parking lot. Have a safe and happy school year!
