

## School Psychologist

Bear Creek Community Charter School, a progressive and proven K-8 public school that offers parents a choice in public education, is currently seeking a dynamic and experienced hands-on professional for the career position of School Psychologist.

This is an eleven month, full-time position. The successful candidate will utilize their education, skills, experience and best practices to ensure that students achieve at the highest level within their ability and assists students in overcoming obstacles that may interfere with their receiving the greatest benefit from the school's educational opportunities.

The School Psychologist provides a range of supports and services to students including screening and assessment, assisting with the design or remedial educational programs, counseling, and referral to outside agencies as appropriate. The School Psychologist is an active participant in the School's leadership team and serves as an integral member of the School's multi-disciplinary team to determine a student's eligibility for special services, appropriate programming, and on-going progress. The successful candidate will ensure all actions, programs and procedures meet local, state and federal compliance standards.

Candidates must possess at minimum, a Masters' Degree in an appropriate field of study, valid Pennsylvania School Psychologist Certification, and a minimum three years professional experience.

Bear Creek Community Charter School offers a competitive salary and bonus, generous benefit package, and a rewarding work environment. Salary range for this position is \$50,000 to \$65,000.

Bear Creek Community Charter School is the first and only charter school in Luzerne County. Located in rural Bear Creek Township just south of Wilkes-Barre, the School is conveniently located just off the Northeast Extension of the Pennsylvania Turnpike, Interstate 80 and Interstate 81.

Bear Creek Community Charter School has received Keystone Achievement Awards from the Commonwealth of Pennsylvania for four consecutive years, and was named a 2007 Charter School of the Year by the Center for Education Reform. The School's charter was unanimously authorized earlier this year with no dissent from the authorizing district, and is in the process of constructing a new school campus.

Bear Creek Community Charter School is an equal opportunity employer.
