

SCHOOL DIRECTORY
Bear Creek Community Charter School
Parent Teacher Organization

Dear Parent/Guardian;

It is time once again to begin preparing the 2009-2010 School Directory.

The BCCCS School Directory is an excellent resource for all of our families, and includes an organized list of teachers, students, and homeroom parents.

***If you have more than one child in school, please fill out separate forms for each child as the directory will be organized by grade level.**

The directory will be distributed only to the children of our school. Please include any/all information you wish to provide. We are asking everyone to respond, even if you do not wish to have your child listed in the directory. ***If you do not wish to participate, please indicate your child's name and grade level, and write 'NOT INTERESTED' on the form.**
