Open House - Free Ride!

Bear Creek Community Charter School's Annual Open Houses will take place on September 7th, 8th, and 9th at the School. All parents, grandparents and the general public are invited!

Parking in the School's main parking lot and side parking lot is limited. No parking along the highway is permitted and the Pennsylvania State Police will enforce the no parking ordinance.

For the safety of our students, parents and the general public, we encourage all visitors to the Open Houses to take advantage of our complimentary shuttle service.

Complimentary shuttle service for parents and visitors between Bear Creek Community Charter School and St. Christopher Church (State Route 115) will be provided starting at 5:30 p.m. and ending at 7:30 p.m.

St. Christopher Church is located 1/4 mile north of Bear Creek Community Charter School on State Route 115. If you were travelling up the mountain, the Church parking lot is located on the left just before the motel on your way towards the School.
