

SPRING FESTIVAL DAY

~ Celebrate You, Celebrate Me, Celebrate Us ~
Friday, May 28, 2010

"Diversity" will be the theme of our sixth annual Spring Festival Day. The Bear Creek Community Charter School Parent Teacher Organization will sponsor a full day of exciting programs for our students. There will be two morning assemblies: Under the Big Top will be Feraba- African Rhythm Tap! This multi-cultural performance fuses the traditional sounds and movements of West Africa with American Tap Dancing. In our school cafeteria we'll present Minas- Brazilian Adventures. Experience the lively culture of Brazil which revolves significantly around the festive music of Carnival. Students and staff are invited to clap rhythms, play authentic Brazilian percussion instruments, and sing in Portuguese.

Students will enjoy a full afternoon of "fun & learning". There will be eight stations offering the following programs: inflatable obstacle course, carnival games, face painting, refreshments, memory quilt square craft, a diversity activity, cultural learning workshops, and the very fun Stress Express. A special thanks to the PTO and the many parents who have already volunteered to help make this day a reality. Volunteers are still needed! If you have clearances already on file in the school office and would like to help, contact Candice Warnagiris at 235-1216. *Volunteers may not bring children with them.* Convenient volunteer parking is available behind 1900 Bear Creek Boulevard (white house to right of School) - just follow the signs!

The Spring Festival Committee would like to thank each of you who participated in our yearly fundraisers. These day-long activities are possible through the generosity of the Bear Creek Community Charter School PTO. You need not send money with your child. The PTO is treating your child to this wonderful learning experience. Because of the limited space at Bear Creek Community Charter School, *we are sorry we cannot invite you to observe.* However, we trust that the above information will help you and your child prepare for this special day. *Remember to dress your child in layers for all kinds of weather and play clothes for all kinds of fun!*

Each class has been placed into a pre-selected group and each group has been assigned a color. *Please remember to have your child wear their colored Field Day/Spring Festival shirt on Friday, May 28.*
