

Free Tutoring

In an effort address the issue of struggling student performance, we have planned a weekly tutoring session for identified students that will be held on Saturday mornings from 9:00 a.m. to Noon, every weekend in January, February and March.

The Saturday morning tutoring sessions will be focused on either Reading or Math, so students do not necessarily have to attend every session. The Saturday tutoring is in addition to Bear Creek Buddies and Apprentice Club. Saturday morning tutoring will be provided based on the following schedule:

Math Tutoring

January 7, 2012
January 21, 2012
February 4, 2012
February 18, 2012
March 3, 2012

Reading Tutoring

January 14, 2012
January 28, 2012
February 11, 2012
February 25, 2012
March 10, 2012

Parents are asked to review their calendars to ensure that their child is available for as many of these tutoring days as possible. Please call the office at 820-4070 (extension 319 or extension 300) to let us know whether or not your child will be attending the tutoring sessions or if there are difficulties preventing your child from attending. These additional tutoring sessions are being put into place to help your child. Please help us help your child by ensuring they attend the tutoring sessions.

Since we know that test preparation alone can be difficult for a child, we have coordinated with a local martial arts expert to offer a student training program for these Saturdays as well. The program is called "StreetSmart for Kids" and offers training in the following programs: Stranger Danger, Bully Beware, and Tumbling Tots. These programs help build student self-confidence, self-control, provide a fun physical activity, and inform children on what to do should a difficult situation occur.

We are excited to provide additional opportunities to help student's success, as well as opportunities for parents to get involved in their child's academic success. We hope you are equally as excited, and realize the importance of your support.

Please call the office at 820-4070 (extension 319 or extension 300) to let us know whether or not your child will be attending the tutoring sessions or if there are difficulties preventing your child from attending.

THANK YOU!
